ISLAM OUR CHOICE

(ILLUSTRATED AND UNABRIDGED)

Compiled by Dr. S. A. KHULUSI, Ph.D.

There has long been a demand for a book that would relate in simple language the stories of various Europeans accepting Islam. Since 1913 C.E. such articles have been published in *The Islamic Review*. Some of these have now been collected in ISLAM OUR CHOICE.

ISLAM OUR CHOICE

also contains an extensive survey of the views of non-Muslim writers about Islam, the Prophet Muhammad and the contribution of Islam to civilization. Extracts, for instance, from the writings of H. A. R. Gibb, T. W. Arnold, Napoleon Bonaparte, Goethe and many others, have been given with complete references of their works.

ISLAM OUR CHOICE

is at once interesting and instructive. It brings a better understanding of Islam to Muslims and opens a new vista of Islam before non-Muslims. This is a book that should be widely circulated in all parts of the world.

ISLAM OUR CHOICE

also gives a sketch of the life of the Prophet Muhammad and discusses Muslim conception of law, liberty and morality, Muslim civilization in Spain, Islam in the world and a host of other subjects.
