# JESUS IN "HEAVEN ON EARTH"

By al-HAJJ KHWAJA NAZIR AHMAD, Barrister-at-Law

ROYAL 8vo 500 pp. PRICE £1-10-0 (Please note the change in price)

AL-SAYYID RASHID RIDHA, a disciple of the Mufti Muhammad 'Abduh of Egypt, wrote in his commentary of the Qur'an that Jesus' flight to India and his death in this town (i.e., Srinagar) is not against reason and inference.

*Jesus in "Heaven on Earth"* is a detailed study of this problem.

KHWAJA NAZIR AHMAD has rendered service of inestimable value both to history and to religion by making

available to the average reader the mass of evidence which he has, after monumental labour spread over the course of several years, compiled in the closely-packed pages of this valuable book.

The author attempts to unravel the mystery surrounding the last days of Jesus of Nazareth. He bases his conclusions on well-founded authentic documentation. He covers a field hitherto unexplored by scholars for various and obvious reasons.
